

COMO

part 2

Como, the town
of Alessandro
Volta

On Wednesday 10th May we visited the town of Como. Our guide, Matteo, lead us to see the most important monuments of the historical centre.

...walking in the city centre

PORTA TORRE IN PIAZZA VITTORIA

- It's a place where we can see the remains of a wall of the middle age around the city

TORRE DI SAN VITALE

- It's another tower of the wall around the city of the middle age. Its base is pentagonal and has openings on the vertical sides.

BASILICA DI SAN FEDELE

- It's a cathedral (basilica in Italian) in Roman and Baroque style.

(MUSEO CIVICO) MUSEO ARCHEOLOGICO PAOLO GIOVIO

- It's the Palazzo Giovio, from the surname of a Como family, in the Medaglie d'Oro 1 square.

DUOMO, CATTEDRALE DI SANTA MARIA MAGGIORE

It's in Gothic style. A famous entrance is The Frog Door, but today the Frog doesn't exist because a drunk man with a hammer broke the head of the animal.
